There is comfort in the knowledge, that so many forms of sickness are not due to any actual dis-ease, but simply to a constipated condi-tion of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all unportant, in order to get its bene-ficial effects, to note when you pur-

There was a steady stream of serious faced business-men and other creditors of the Atlas Bank passing into the building all the morning. Their steps were bent towards the desks of Cashier S. W. Stone. his assistant, and the paying teller, where anxious inquiries were made as to how and when the money on deposit would be paid by the bank. Most of the callers brought their pass-books, showing the balances to their credit. The books were received and the owners informed that as soon as their accounts were balanced on the books checks on Trustee Lung G all depositors would get their money in full. Many business-men and bankers called to express their sympathy with the officers and directors of the bank. It is believed the stockholders will get nearly all that is due them at par.

DIME SAVINGS BANK The well-known connection between the Atlas Bank and the Dime Savings Bank, a small but old institution, caused the circulation of a report that the latter would also be forced to liquidate. Its doors were open for business as usual, but there was little business to do. Depositors came to draw out their savings but
